

You're invited to attend the

Thyroid Cancer New England Survivors' Workshop

Hear presentations by physician specialists, and receive answers to your questions. Learn and share with other thyroid cancer survivors and families. This educational and supportive day is for people at all stages of testing, treatment, and follow-up for thyroid cancer. We also welcome caregivers, friends, and everyone interested.

Saturday, April 22, 2006

FREE

9 a.m. — 4 p.m.
