...and more being confirmed

Join us in Orlando for this unique event. The weekend offers more than 100 presentations, Ask a Doctor sessions, and survivor-caregiver roundtables. Whether you're being tested for possible thyroid cancer, are newly diagnosed or recently treated, are a survivor of many years, or are a caregiver, friend, or health care professional, you are welcome to come. Please tell everyone you know about the conference. Word of mouth is a main way that people hear about this unique weekend. We welcome walk-in attendees. Visit our web site for details, registration, and hotel information.
