Summer 2004

Dear Friend of ThyCa,

We are pleased to share GOOD NEWS with you about our Research efforts for Thyroid Cancer and to invite you to support our new plans for 2004. Because of your generosity, we are now able to fund Thyca's Second Research Grant for Thyroid Cancer. This is an exciting time for all of us as we dream of a future without Thyroid Cancer. We thank you for sharing our vision.

The dream continues with a special event during our 7th International Thyroid Cancer Survivors' Conference, October 22-24, 2004 in Deerfield, Illinois, near Chicago.

We invite you to join us as we celebrate our Connections, at our Fundraising Dinner/Benefit Auctions, on Friday, October 22, 2004, from 6-10 p.m. at the Hyatt Deerfield Hotel, our conference headquarters. The cost for the dinner and evening is \$30 per person. Reservations are payable by credit card or check to ThyCa. Your generosity beyond the ticket cost is tax-deductible and will be greatly appreciated. All donations plus the proceeds from the Benefit Auctions will go directly, and entirely, to support our on-going research funding as the medical profession strives to find a cure for, and eventually the prevention of, all Thyroid Cancer.

Our hope is that you will support our Research Fundraising Benefit. You are invited to attend, sponsor a ticket for someone else, help us by donating to the research fund, contribute an item for the Silent or Live Auction, or support our tribute booklet.

We look forward to including you among our list of supporters.
Please contact me by e-mail: auktion@thyca.org
Or mail the form below, with your check or credit card information, to this address:
ThyCa Dinner/Auction, P.O. Box 2327, Allen, TX 75013

Sincerely and with heartfelt thanks,
Julie A. Robinson, Dinner/Auctions Coordinator, and ThyCa's Fundraising Team

P.S. I hope to hear from you soon. Thank you again for your support.
