Expanded Second Edition — 2010

The In-Depth Reference Book Recommended by Patients and Leading Doctors

Thyroid Cancer: A Guide for Patients

Douglas Van Nostrand, M.D., Leonard Wartofsky, M.D., Gary Bloom, & Kanchan Kulkarni, M.B.B.S., Editors
 434 pages. 40 chapters. Large format. More than 80 tables, checklists, and illustrations. Keystone Press, 2010.

- **40 authors**, including 32 distinguished medical professionals in centers in USA and Canada, plus thyroid cancer survivors and a caregiver. Forewords by **Ernest L. Mazzaferri, M.D.**, Endocrinologist, Past President, American Thyroid Association, and **R. Michael Tuttle, M.D.**, Endocrinologist, Memorial Sloan-Kettering Cancer Center.
- Authors include endocrinologists, surgeons, nuclear medicine physicians, radiologists, and specialists in pathology, public health, research, and mental health. Authors include 3 past presidents of the American Thyroid Association, past president of The Endocrine Society, and faculty at medical schools and medical education programs in USA and Canada.
- **Praise** — *“This book provides easily understandable, clear, concise, answers to nearly all of the common questions that patients ask me in the office, on follow-up phone calls, and at survivorship conferences... This book will provide the information necessary for you to help your physicians optimize and customize many aspects of the journey for your individual situation.”*
 — R. Michael Tuttle, M.D., Memorial Sloan-Kettering Cancer Center
“Patients and their loved ones will find this an authoritative, up-to-date and practical guide for overcoming the physical and emotional challenges posed by thyroid cancer.”
 — Paul W. Ladenson, M.D., Johns Hopkins Medical Institutions; Past President, American Thyroid Association
- **Proceeds for orders sent by ThyCa help support our free education and support services, outreach, and thyroid cancer research grants.**
- **Books mailed by Priority Mail.** No charge anywhere in USA. For mailing to Canada or Mexico, add \$3 per book. For other countries, add \$8 per book, US dollars. Price from ThyCa is the same as at amazon.com. This order form is also on www.thyca.org, on the Reference Book page.
