## Help Support Our Efforts for Thyroid Cancer Research...

### *Walk or Run for the Research Funds!*

Dear Friends,

We invite you all to join in and be a part of our "Walk With Us," or a Run, for Thyroid Cancer Research. Please join us whenever, wherever and with whomever you are able to do so.

Consider a walk in the park, a walk around the block, or a run..but please consider a walk or a run of some kind. Perhaps your family, support groups, friends, co-workers, or neighbors would like to sponsor you....please ask them.

We are all concerned about the urgent need to further the Research of Thyroid Cancer, and this is a wonderful way to support our efforts of funding Research Grants. By joining us, you will help us be one "STEP" closer to our hope of a cure for all Thyroid Cancer.

Please join with us all, as we put our feet together and stomp, shuffle, run, or "WALK, ONE STEP" at a time, in our fight against Thyroid Cancer. Together, we can and will make a difference!

Thank you so much for your support.
