

Coping with Thyroid Cancer

Presented by Meridian Cancer Care, this educational conference will feature specialists from Meridian Health to discuss vital topics for thyroid cancer patients, survivors, and their families. Attendees will have the opportunity to improve techniques in coping with a thyroid cancer diagnosis. Topics will include survivorship, recurrence, genetics, radioactive iodine and coping through the positive power of humor. In addition, there will be exhibits on genetics, laboratory services, speech therapy, radiology and much more.

Speakers

A. Fay, M.S.
Genetic Counselor

D. Lann, M.D.
