

# Thyroid Cancer

## *A Guide for Patients*

**2<sup>nd</sup> Edition**

**2010**

**Keystone Press**

### **Editors**

**Douglas Van Nostrand, M.D., F.A.C.P., F.A.C.N.M.**

Director, Division of Nuclear Medicine, Washington Hospital Center  
Professor of Medicine, Georgetown University School of Medicine

**Leonard Wartofsky, M.D., M.P.H., M.A.C.P.**

Chair, Department of Medicine, Washington Hospital Center  
Professor of Medicine, Georgetown University School of Medicine  
Professor of Medicine, Uniformed Services University of the Health Sciences

**Gary Bloom**

Executive Director, Co-Founder, and former Board Chair  
ThyCa: Thyroid Cancer Survivors' Association, Inc.

**Kanchan P. Kulkarni, M.B.B.S.**

Director, Nuclear Endocrinology, Division of Nuclear Medicine  
Washington Hospital Center  
Assistant Professor, Georgetown University School of Medicine

**40 Authors, 434 Pages**

**Table of Contents Below**

# ***Thyroid Cancer: A Guide for Patients***

## ***Table of Contents***

<b>Contributors</b> .....	<b>ix</b>
<b>Foreword for Second Edition</b> .....	<b>xvii</b>
<b>Preface for Second Edition</b> .....	<b>xx</b>
<b>Acknowledgments of Second Edition</b> .....	<b>xxi</b>
<b>Foreword for First Edition</b> .....	<b>xxii</b>
<b>Preface for First Edition</b> .....	<b>xxiv</b>
<b>Acknowledgements of First Edition</b> .....	<b>xxvii</b>
<b>Chapter 1: From “Nodule to Diagnosis to Therapy to Follow-Up”</b> ... ..	<b>1</b>
Douglas Van Nostrand, M.D. and Leonard Wartofsky, M.D.	
<b>SECTION I: THE BASICS</b>	
<b>Chapter 2: The Thyroid Gland: The Basics</b> .....	<b>5</b>
Leonard Wartofsky, M.D.	
<b>Chapter 3: Thyroid Hormone Measurements in Blood: Thyroxine [T4], Triiodothyronine [T], Thyroid Stimulating Hormone[TSH], and Thyroglobulin [Tg]</b> .....	<b>15</b>
Leonard Wartofsky, M.D.	
<b>Chapter 4: Radiation, Carcinogens, Chernobyl, Genes, and Thyroid Cancer</b> .....	<b>19</b>
James John Figge, M.D.	
<b>Chapter 5: Molecular Markers: What are they and Can They Help?</b> .....	<b>27</b>
Victor Bernet, M.D.	
<b>Chapter 6: The Role of Various Physicians, Specialists, and Second Opinions</b> ....	<b>35</b>
Kenneth D. Burman, M.D.	
<b>SECTION II: FROM NODULE TO SURGERY</b>	
<b>Chapter 7: Thyroid Nodules</b> .....	<b>39</b>
Leonard Wartofsky, M.D.	
<b>Chapter 8: Fine Needle Aspiration</b> .....	<b>57</b>
Yolanda C. Oertel, M.D.	

**Chapter 9: Surgery in Thyroid Cancer** ..... 69  
Lisa Boyle, M.D.

**SECTION III: WELL-DIFFERENTIATED THYROID CANCER**

**Chapter 10: Well-Differentiated Thyroid Cancer: Staging and Prognosis** ..... 77  
Leonard Wartofsky, M.D.

**Chapter 11: Variants of Papillary Thyroid Carcinoma (Tall Cell, Insular, Columnar, Hürthle Cell, etc)** ..... 89  
Victor Bernet, M.D.

**Chapter 12: Thyroid Cancer in the Child and Adolescent** ..... 97  
Andrew J. Bauer, M.D.  
Gary L. Francis, M.D.

**Chapter 13: Thyroid Cancer In Pregnancy** ..... 115  
Henry Burch, M.D.

**Chapter 14: Low Iodine Diet** ..... 121  
Kenneth D. Burman, M.D.

**Chapter 15: Withdrawal of Thyroid Hormones** ..... 129  
Kenneth D. Burman, M.D.

**Chapter 16: Thyrogen®** ..... 135  
Leonard Wartofsky, M.D.

**Chapter 17: Radioiodine Whole Body Scanning, Part I: Overview and the Different Types of Scans for Well-differentiated Thyroid Cancer** ..... 141  
Douglas Van Nostrand, M.D.

**Chapter 18: radioiodine Whole Body Scanning, Part II: Preparation, What to Expect, and Radiation Safety Precautions and Well-Differentiated Thyroid Cancer** ..... 155  
Douglas Van Nostrand, M.D.

**Chapter 19: Dosimetry** ..... 163  
Frank Atkins, Ph.D.

**Chapter 20: Additional Diagnostic Imaging Studies** ..... 175  
James Jelinek, M.D.  
Douglas Van Nostrand, M.D.  
Alexander Mark, M.D.  
Robert Bridwell, M.D.  
Lalitha Shankar, M.D.

<b>Chapter 21: “PET Imaging in Thyroid Cancer”</b> .....	<b>189</b>
Kanchan Kulkarni, M.B.B.S., Homeira Zahiri, M.D., Douglas Van Nostrand, M.D.	
<b>Chapter 22: 124I: A Future Radioiodine</b> .....	<b>197</b>
Douglas Van Nostrand, M.D.	
<b>Chapter 23: 131I Ablation and Treatment For Well-Differentiated Thyroid Cancer</b> .....	<b>201</b>
Douglas Van Nostrand, M.D.	
<b>Chapter 24: Selecting the Dosage of 131I for Ablation or Treatment</b> .....	<b>219</b>
Douglas Van Nostrand, M.D.	
<b>Chapter 25: Thyrogen for Preparation for 131I Ablation and Treatment</b> .....	<b>225</b>
Leonard Wartofsky, M.D.	
<b>Chapter 26: Side Effects of <sup>131</sup>I</b> .....	<b>231</b>
Douglas Van Nostrand, M.D.	
<b>Chapter 27: Radioactivity and Radiation</b> .....	<b>249</b>
John E. Glenn, Ph.D.	
<b>Chapter 28: Radiation Safety Precautions During Your Hospital Stay and at Home</b> . .....	<b>255</b>
John E. Glenn, Ph.D.	
<b>Chapter 29: Hormone Preparations Including “Natural Remedies.”</b> <b>Types, Advantages, Disadvantages, and Caveats.</b> .....	<b>261</b>
James V. Hennessey, M.D.	
<b>Chapter 30: Management of Persistent Elevated Thyroglobulin Blood Levels and</b> <b>Negative Radioiodine Scans</b> .....	<b>269</b>
Leonard Wartofsky, M.D.	
<b>Chapter 31: Re-Differentiation of Well-Differentiated Thyroid Cancer</b> <b>With Negative radioiodine Scans</b> .....	<b>275</b>
Shyam Chennupati, M.B.B.S. Douglas Van Nostrand, M.D.	
<b>Chapter 32: Re-Operative Thyroid Surgery</b> .....	<b>277</b>
Nancy Carroll, M.D.	
<b>Chapter 33: Management of Bone Metastasis</b> .....	<b>281</b>
Jason A. Wexler, M.D.	

**Chapter 34: External Beam Radiation Therapy ..... 285**  
James D. Brierley MBBS

**Chapter 35: Radiofrequency Ablation ..... 303**  
Howard Richard, M. D.

**Chapter 36: Additional Modalities of Treatment for Well-Differentiated Thyroid Cancer and Future Directions ..... 309**  
Matthew D. Ringel, M.D.

#### **SECTION IV: MEDULLARY THYROID CANCER**

**Chapter 37: Medullary Thyroid Carcinoma ..... 321**  
Yasser H. Ousman, M.D.

#### **SECTION V: ANAPLASTIC THYROID CANCER**

**Chapter 38: Anaplastic Thyroid Carcinoma ..... 329**  
Nikolaos Stathatos, M.D.  
Leonard Wartofsky, M.D.

#### **SECTION VI: PATIENT COMMENTARIES**

**Chapter 39: Living with Thyroid Cancer: Patient Commentaries ..... 337**  
Ron Sall, C.P.A  
Dianne Dodd, Ph.D.  
Joan Shey  
Diane Patching  
Beth Scott  
Samuel Chatham, M.D.  
Jeanne F. Allegra, Ph.D. , Psychologist  
Stephen Peterson, M.D., Psychiatrist

#### **SECTION VII: RESEARCH STUDIES**

**Chapter 40: Participation in Research Studies ..... 373**  
Shari Gooden, C.R.A

**SECTION VIII: APPENDICES**

**Appendix A: Frequently Asked Questions About Well-Differentiated Thyroid Cancer. . . . . 379**

**Appendix B: Glossary . . . . . 391**

**Appendix C: Additional Sources of Information . . . . . 401**  
Gary Bloom

**Appendix D: Books and Manuals . . . . . 409**

**Appendix E: Example of Form for Potential “Early Release” from Hospital . . . . . 413**

**Appendix F: Patient Bill of Rights and Responsibilities . . . . . 417**

**Index . . . . . 421**
