

You're invited to attend the

Thyroid Cancer Vermont/New England Survivors' Symposium

This special event will be part of the Stowe Weekend of Hope for people affected by any cancer. Hear presentations by physician specialists, and receive answers to your questions. Learn and share with other thyroid cancer survivors and families. This educational and supportive day is for people at all phases of testing, treatment, and follow-up for thyroid cancer. We also welcome caregivers, friends, and everyone interested.
