

*For more information,
and free support services,
visit www.thyca.org*

- Visit our web site for more information about thyroid cancer treatment, research, and ThyCa's free support groups and other free support services, special events, and publications.
- ThyCa's web site has more than 600 pages, as well as links to more than 100 related medical web sites, organizations, and publications.
- More than 50 distinguished physician specialists, plus many other specialists, provide ongoing input and review for the web site's medical information.
- Numerous free downloadable publications are available on ThyCa's web site. These include the *Low-Iodine Cookbook*, thyroid cancer awareness flyers, fact sheets about thyroid cancer, materials in Spanish, and more.

How To Help

- Give Thyroid Cancer Awareness brochures to your friends and relatives. Help raise awareness of thyroid cancer and the importance of early detection, treatment, and lifelong follow-up. Tell them about ThyCa's free support services, educational events, and web site.
- Become a ThyCa volunteer
- Become a ThyCa member
- Donate to our Rally for Research 2007
- Spread the word about the
10th International Thyroid Cancer Survivors' Conference
October 19-21, 2007 • San Francisco, California
- To find out more, visit the "How To Help" section of our web site www.thyca.org
