

You're invited to attend the

Thyroid Cancer

11th Midwest Survivors' Workshop

Come learn from physician specialists. Receive answers to your questions. Learn and share with other thyroid cancer survivors and families in roundtables. This educational and supportive day is for people at all stages of testing, treatment, and follow-up for all types of thyroid cancer. We also welcome caregivers, friends, and everyone interested.

Saturday, April 23, 2016
